Father, We Thank Thee...

The Harvest of Thanksgiving

Do we have any reason to give thanks? The cause for establishing a day of Thanksgiving was after the early settlers had suffered the loss of more than half their number from disease and starvation. Then when there was a harvest with seemingly enough food, they had a time for giving thanks.

But today it is a different America with billions of dollars worth of food stored—paying a million dollars a day storage—and not many sufficiently poor people to whom to give any appreciable part of the abundance of surplus food. Usually the natural basis for giving thanks is after we have suffered a need and then to have that need supplied. Now on the surface it looks as though we have no real basis to give thanks, especially for the material blessings. The early colonists gave thanks for an abundant crop. Now an abundant crop is

the worst thing that can happen to the farmer because the supply so far exceeds the demand he cannot sell it for a profit. Either we must manufacture some basis for giving thanks for material blessings or else find something other than material things for which to give thanks.

We can be grateful in America and in most of the world for a measure of peace. Although we have some cold war we can be grateful that we are not engaged in an all-out war like the two world wars which we have had within the past generation.

There are things for which to be grateful even more important than food and clothing or even international peace. The real basis for thanksgiving comes from having felt a hunger for God and having realized that we were lost, hanging only by a brittle thread between

life and death—between eternal life and eternal death—then to be saved by the gospel of Christ through His suffering on the cross for everyone who would accept His salvation. We do have a reason, the greatest of all reasons, to be thankful and to express thanks to all who have had a part in saving us from the starvation and death that can come to a human soul, and to find the joy of salvation and become heirs and joint heirs with Jesus Christ. How grateful we should be to be in a Christian land and a part of the Church of the Nazarene and a teacher or a student in a Nazarene college. We can give thanks for this as long as we live and then hope to have a million thanksgivings on the banks of the river of life where hunger and death will be no more.

—President A. B. Mackey.

Juniors Present Play

"The Lost Church," a pageant-drama by Dorothy Clark Wilson, was presented Friday evening, November 13, by the Junior Class. Miss Barbara McClain, junior class sponsor, directed the one-act play.

In the play John, a man of the world, made a wish that the church and everything that the church was responsible for be blotted off the earth. His wish came true in a dream in which the church was lost out of the world, and there was nothing worthwhile left. When he awoke, his whole attitude toward the church was changed. He wished that all the scoffing and unbelieving ones of the earth might have the same dream.

The characters of the play were: Bobbie Mitchell, a man of the

(Continued on page 2, column 4)

Reformation Day

October 31 is more than Halloween Day. It is Reformation Day. It was on this day that Martin Luther nailed his ninety-five theses to the door of the church. We Nazarenes do not make as much of this day as do other denominations whose beginnings date back to separation from the Roman Catholic Church.

You remember that in the life of Martin Luther, when he was climbing the stone stairs to St. Peter's of Rome, that the light of God's truth broke in upon him in the words of Romans 5:1, "Being justified by faith, we have peace with God through our Lord Jesus Christ."

Thank God for the Reformation, for the truth of justification by faith, and for Martin Luther and his co-laborers.

Trevecca Adds New Sign

A much needed addition has been made to our fair campus. Unlike most of the additions made this last summer this one can be best seen at night.

As you drive along Lafayette you cannot help but see the very attractive sign telling all who pass by where Trevecca Nazarene College is located.

The parents of students and all other visitors seeking Trevecca will welcome this addition as it will eliminate much confusion in trying to locate our campus.

"The man that falls down gets up quicker than the man that lies down."

—Dr. R. V. Delong

Dr. Mackey, Dr. Adams Attend Conference

Trevecca Nazarene College is seeking accreditation in the Southern Association of Colleges and Secondary Schools. On November 6 Dr. Mackey and Dr. Adams met a sub-committee of the Committee on Admissions in Atlanta, Georgia. The sub-committee studied their written report and questioned Dr. Mackey and Dr. Adams with the purpose of making a recommendation to the committee in December in Louisville, Kentucky.

There are twenty-one requirements for entering the Southern Association. Of these, Trevecca has worked hardest to strengthen endowment, instructional cost per student, and faculty training. In the past few years much improvement has been seen. All concerned with Trevecca Nazarene College are hoping that the decision will be made in December to send an inspection committee to Trevecca's campus. This will be one step further to the goal of accreditation.

Dr. A. F. Harper Is Chapel Speaker

"Am I a Growing Christian?" was the subject of Dr. A. F. Harper's message in chapel November 2.

Dr. Harper received his Bachelor of Arts degree at Northwest Nazarene College. He received his master's degree at the University of North Dakota, and the Ph.D. at the University of Washington in Seattle.

At present Dr. Harper is editor of Church School Publications and is executive secretary of the Department of Church Schools. He is a member of First Church of the Nazarene in Kansas City and is teaching a course at Nazarene Theological Seminary.

The three main questions of Dr. Harper's message were:

1. "Am I Feeding my Soul?"
2. "Do I Follow my Good Impulses?"
3. "No Matter What Happens Do I Keep on Trying?"

One of his sons is a senior at the Seminary. The other is taking pre-med at Northwest Nazarene College.

Rev. Cox Is Guest Speaker

On October 30 our guest speaker in chapel was Rev. Edward F. Cox, pastor of the McClurkan Memorial Church of the Nazarene in Nashville. He was graduated from Trevecca, then from Vanderbilt Divinity School.

Rev. and Mrs. Cox have two children, a boy and a girl.

Dr. Mackey Is Founder's Day Speaker

Dr. A. B. Mackey, president of Trevecca since 1937, gave the Founder's Day address November 13. Visitors and students alike listened intently as Dr. Mackey told the history of the school. It was founded in 1901 as a Bible Training School for Christian Workers by Rev. J. O. McClurkan. Since that time it has survived bankruptcy and many set-backs, and has grown to a student body of over five hundred students and a campus valued at \$1,400,000. In 1935 the school moved to its present campus after being in five other locations.

In keeping with the emphasis of the day an exhibit in the lobby of the McClurkan building was presented by the Clio Society. Featured in this exhibit were pictures of some former presidents, classes, and campus scenes. There were annuals and catalogs representing the different years. These publications themselves could tell the history of the school.

Founder's Day once again reminds the students of the historic past of their school and challenges all to plan for an even greater future.

Senior Class Presents Friday Night Program

"Our Alumni" were presented by the Senior Class on Friday evening, October 30.

The alumni participating in the program were: Ruby Potter, Edra Hammond, Elzora Cooner, Marian Jewell, Mrs. Mabel Greene, and Dr. Homer J. Adams.

To begin the program Ruby Potter played several organ numbers. "Deep Purple" was one of her selections.

Edra Hammond gave a humorous reading entitled, "Sockery Hadacut's Kat."

Some of the numbers sung by the ladies trio were "Shortin' Bread," "Grandfather's Clock," and "Old Folks at Home."

Dr. Adams spoke about Trevecca's alumni. He included many humorous incidents. He even included some of his own blunders!

"Mr. Lincoln's Wife," given by Miss Hammond, was last on the program.

Paul Green and Dave Wafford were ushers.

The Story of Trevecca

It is the aim of the Clio Society to bring to you a series of articles concerned with the people, buildings, campus, and events that have helped to make Trevecca the very best Christian college.

Did you know that John and Charles Wesley held the first revival meeting at Trevecca? The name of our school comes from a college that was opened in Wales in 1768. At that early establishment John Wesley was the minister and Charles Wesley directed the singing. Trevecca is a translation of the Welsh name of that school.

Dr. Mackey tells of the days of Trevecca since 1926. "I came to Trevecca thirty-four years ago, and taught in the high school part-time the first quarter. In the second year I became principal. I was principal two years and then became dean of the college in 1928.

"I served under Dr. Hardy as dean until 1933 when I was elected vice-president; then I held the office of dean and vice-president. My job as vice-president did not carry any responsibility, but one of the Dardas did have a picture of me as vice-president. I became acting President in 1936 and was elected to the presidency in February, 1937."

The college was on White's Creek Pike for a while, moving from there to First Church. In 1935 it moved to our present campus. The property was not purchased until 1938. Hardy Hall was here, and the brick walls of McKay were here, but that building has been rebuilt following the fire in 1954.

Where the present administration building stands was a spacious dwelling house. This dwelling was the center of the campus. It housed the high school, the grade school, the college, the offices, the library, the laboratories, and furnished some living quarters. Two families lived in the attic and some of the faculty had rooms on the first floor. It is doubtful that any college has so completely relied on one building as Trevecca did this old dwelling.

More of the Trevecca story will follow next time.

Sympathy

The students and faculty of Trevecca College wish to express their sincere sympathy to Rudy Jones and his family in the recent loss of their father and husband.

A Word to the Wise

Have you ever been engaged in a conversation with one of your classmates and heard him say, "Well, praise the Lord I have my lessons today." Or your pen decided to stop writing and maybe one of your classmates commented on its being "carnal." Maybe you got a letter from your mother and before you thought you had said, "Glory, my mother finally wrote me!

These are words and phrases which have been used with increasing commonness in our religious circles. When we hear people of the world use God's name in vain we immediately shudder within ourselves at their profanity BUT Christians may think nothing of using in a frivolous way Scriptures or words referring to God. Does our being Christians make it right for us and wrong for them? Certainly not. The Bible teaches us to talk of holy things but not to use them in a sacrilegious way. Many are just careless or have not really thought about it. The use of such words does not add dignity to our speech and it could even harm our influence. Paul, in I Corinthians 8:13, said, "Wherefore, if meat make my brother to offend, I will eat no flesh while the world standeth, lest I make my brother to offend." This could be applied to speech.

Let us not be irreverent or sacrilegious in our use of sacred words. They are to be held high and kept sacred and not to be used in a light or frivolous manner. Let us keep our speech pure as well as our hearts.

Additional Library Service Needed

Many TNC students desire additional hours of library service. "Why is not the library open on Saturday morning?" is an often asked question. Should not these students who need and desire to study be given additional opportunity to do so?

Who would benefit by this added service? Work hinders several students from using the library during the week and on Saturday afternoon. Would not it aid these students? Besides this group, believe it or not, these are some students who desire to study on Saturday morning.

From ten o'clock until twelve on Saturday morning is suggested as the time for the library to be open.

Dorm Courtesy

Do you use good etiquette? Good manners, the more common term for it, are a must for you if you want to be accepted by your associates.

Dormitory life provides many opportunities for practicing good etiquette. Ask yourself if you are considerate of others' privacy, their desire for rest and quiet.

Do you take advantage of others? After rushing to the cafeteria to get a place in line, one finds it very trying to have someone cut line in front of him. Think how you would feel if someone did

November 1s

"Month of Thanks"

November in our church is not only the month for Thanksgiving Day, but it is the "Month of Thanks." Certainly our thankfulness to God should be expressed on more than a single day in the year.

Our forefathers stopped their busy schedule to give thanks to God for life itself. Surely we have much more for which we are thankful. They had only the necessities of life, food, clothing, and shelter. We have many luxuries. Many of them did not have neighbors for miles. We have friends all about us. Many times they were ill and did not have a doctor to care for them.

We could go on naming their hardships and trials but that is not necessary. Why not stop and start counting the blessings you have?

This year let us really be thankful to God for all He has done for us. Let us pause in our busy life to thank the One who has given us life itself.

this to you. Would you not then consider this a breach of etiquette?

In chapel, of all places, etiquette should be practiced. Anything that hinders the service in any manner should be avoided. Remember that every moment of the service is valuable and must not be wasted. Everyone knows that chewing gum and talking are entirely out of place, but is not preparing to leave before it is time equally disturbing?

Have any been guilty of whispering to a classmate while the teacher was lecturing? Is not there a rule which states that only one person is to speak at a time?

Evaluate your manners. Are they up to par or could they stand improvement?

The Bible contains the mind of God, the state of man, the way of salvation, the doom of sinners, the happiness of believers. Its doctrine is holy, its precepts are binding, its histories are true. Read it to be wise, believe it to be safe, practice it to be holy. It contains light to direct you, food to sustain you and comfort to cheer you. It is the traveler's map, the pilgrim's staff, and the Christian's charter.

It should fill the memory, rule the heart, and guide the feet. Read it slowly, often, and prayerfully. It is given to us here in this life, will be opened at the judgment, and is forever settled in heaven.

Skit Presented By Freshmen

The "Dear Departed" is the name of the freshman skit that was presented on November 6. It was a one-scene act which took place about twenty-five years ago in a very interesting family squabble. Professor Unruh, class sponsor, and Mrs. Green, speech instructor, worked together with Professor Unruh serving as director. The cast was composed of Janet Willis, Ruth Frey, Mickie McMeans, Travis Middleton, Jack Farrish, and James Van Hook.

The Pilgrims Long Ago

There were boats which brought them to these shores,
And then they settled the country o're.

They chopped the trees, and houses built;

They held their heads with that determined lilt.

They gathered the harvest, and brought in the grain,

This they did before old man winter came.

The Lord had been good, and had met their needs.

There were meat from the forest and fish from the seas;

The days were growing colder and the winds were blowing wild,

While the mother with the special mother's love, stilled the sickly child.

Because they were safe and sound you see,

They decided to give thanks and reverent be.

To the old meeting house, one and all came,

There giving thanks for the sun and rain;

They wanted to thank Him for the Harvest too,

And for the log houses which were very new.

After they had thanked Him for even the least,

They decided to have a Thanksgiving feast.

This is what happened on the first Thanksgiving Day,

But every day let us be thankful in EVERY way.

—Sarah Culpepper

Junior Class

(Continued from page 1, column 1.) world; Bess Pearson, his wife; Wendell Poole, their son; Judy Magnusson, their little daughter; Melba Robbins, her Sunday School teacher; Joe Moses, a neighbor; Edith Mingledorff, spirit of the church; Joyce Woodard, spirit of ignorance; Sue Ryland, spirit of social injustice; Darlene Cain, spirit of sin; Martha Gray, spirit of spiritual darkness; and Sylvia Young, a poor woman.

Congratulations to the Junior Class for this presentation.

Junior Class Sponsors

Newspaper Sale

No longer do the students have to wait their turn to read the daily newspaper in the library. By inserting five cents into the coin box on the paper stands located in front of the Administration Building and the cafeteria, each student can purchase *The Nashville Tennessean*. The Junior Class is responsible for this news service.

Melvin Welch, president of the class, commented that he is very pleased with the manner in which the student body has responded to and cooperated with the paper sale. He also stated that the afternoon paper, *The Nashville Banner*, can be sold if the student body wants it.

C.W.A. REPORTS

Martha Gray

No doubt the last days of Jesus' ministry on earth were, for the disciples, days of excitement and wonder. So many things had happened! First, that supper in the upper

room with Jesus, then the night in the garden when Judas came and planted the kiss upon Jesus, the trial, the crucifixion, and the resurrection. And then on that last day the ascension and Jesus' last command that they tarry in Jerusalem, and His words, "and ye shall be witnesses unto Me both in Jerusalem, and in all Judea, and in Samaria, and unto the uttermost part of the earth." How completely the disciples carried out this last command! Despite the unusual happenings, despite persecution, they became witnesses.

The Christian Workers Association is today endeavoring to carry out this command of Jesus. The purpose of the organization is "to promote the kingdom of God wherever opportunity is presented." The C. W. A. believes that this command was not intended for the disciples alone, but that it is meant for every follower of Christ. As a means of carrying out the command of Jesus, services are conducted each week end in the following departments: Friday Street Service, 4:30 p.m.; Saturday Street Service, 4:30 p.m.; Tennessee Vocational School, 8:00 a. m. Sunday; City Work House, 8:45 a. m. Sunday; County Work House, 9:15 a.m. Sunday; County Jail, 12:45 p.m. Sunday; Juvenile Court, 1:45 p.m. Sunday; Rest Homes, 1:45 p.m. Sunday; Colored Children's Service, 2:30 p.m. Sunday; Sunday Street Service, 2:30 p.m. Sunday; City Jail, 2:45 p.m. Sunday.

All are invited to be witnesses by attending these services and the prayer meeting, sponsored by the Christian Workers Association, every Monday at 6:00 p.m.

—Martha Gray

Science Club Has Outing

Drizzling rain did not stop a recent outing of the Science Club at Percy Warner Park.

There were nineteen members present. Professor and Mrs. Leon Chambers, sponsors, accompanied the group.

Before a fire was even started, some members crowded around the fireplace. Al Wood and Wayne Clancy were the hearty men who cut the logs! Keith Silvernail displayed his boy scout abilities by building the fire. Mr. Chambers found a way to keep warm—putting more "fire on the wood." Hamburgers were grilled over charcoal. A net was tied to some trees and members of the Science Club enjoyed a good game of volleyball.

Before leaving, nuts were gathered for the squirrels on campus.

Shannon's Sidelines

Would someone please tell Bob Cook that the library door opens in and not out?

Who all saw Judy Magnusson riding the hobby at Harvey's? I imagine that was quite a sight to see our little "school marm" with a long pony tail perched on the hobby horse at Harvey's.

Dr. Wise is constantly reminding his classes that he needs a bobby-pin. Would someone please supply him with something—even a hair

barrette would do.

The little "bravo" of McKay Hall (Mary Jane Still) killed a mouse with a history book. I knew those text books were good for something.

Did you know that Gene Reynolds has the same waistline he went to high school with? I heard him quote that bit of fact not long ago.

Is Bill Nichols still "down and out" in World Lit?

Music While You Eat

Waiting in line in the college cafeteria seems to be a drudgery for many students. Impatience is heightened by a full schedule, an appointment to meet, or many other pressing situations of our busy day. These situations, although depressing, could be somewhat relieved by music. Yes, impatience and drudgery could be soothed by soft music heard in the background in spite of the many sounds and noises heard throughout the dining room.

Soft music tends to relax nervous tensions which, in turn, will allow easier digestion. As a benefit to the patrons, music is needed in the cafeteria.

Since 1959 is music year throughout the Church of the Nazarene, Trevecca could make a musical step forward by providing music in the cafeteria.

"Home On Wheels"

A part of our campus is the space provided for "homes on wheels."

Many married couples have their trailers and can park them on the campus at a reasonable rate.

The Trevecca Trailer Court is quite a little city within itself. Mr. Bob Myers is the mayor.

Step Down!

There's a story going around the Iowa State campus of a certain English professor who went over to a local apartment house and asked to see the list of people living in it and also the waiting list. He didn't have to go through very many names before he found the one he was looking for, and said, "Put my name down for this man's apartment, please. I just flunked him, and he'll be dropping out of school any day now."

Too Late To Classify

The Call

Ask, and it shall be given to you; Seek, and ye shall find;

Knock, and it shall be opened to you:

Salvation from Christ, the King.

If thou hast the faith that thou canst believe

That all can be done by thee:

Go thy way; and as thou hast believed,

So be it done unto three.

To him whose hope is in Jesus, the Rock,

There is no sinking sand.

With a firm Foundation, though storms beat and knock,

His hope shall safely stand.

Do not consider the mote in the eye

Of the brother across the way, But consider the beam which obstructs thy view,

And do not let it stay.

Cleanse the lepers, heal the sick, Raise the dead to live.

So freely ye have received of Him; Therefore freely give.

He that seeks to save his life Without Him then is lost;

But he that loseth his life for Him Shall find it worth the cost.

The harvest truly is plenteous, but The laborers are so few.

Pray therefore and offer thyself. There's so much work to do.

Then shall the King say unto His, "Come, ye blessed of Mine;

Inherit the kingdom prepared for thee From the beginning of time."

Lay aside every weight of sin or dread,

And look unto Jesus, the Strong. Run with patience the race ahead,

No matter how hard and long.

Whatever thy hand shall find to do, Do it with all thy might;

For the race is not always won by the swift,

Nor do the strong win the fight.

—Mary Jane Still

We Live; We Learn

Many a fledgling chemist has to learn the hard way. Fellow students will never forget the look of utter horror that came across a chemical lab student's face as he watched a neatly-copied-in-ink English theme dissolve in some spilled hydrochloric. Humble title of the theme: "The Benefits of Chemistry."

—This Collegiate World

If Half That We Say

If all that we say In a single day

With never a word left out Was printed each night

In clear black and white

Twould prove queer reading no doubt.

And then just suppose E'er our eyes we could close,

We must read the whole record through.

Then wouldn't we sigh, Anl wouldn't we try

A great deal less talking to do?

And I more than half think That many a kink

Would be smoother in life's tangled thread

If half that we say In a single day

Was left forever **unsaid.**

—Chloe Combs.

The Collegiate World

"Never park on a professor's desk!" warns a Teachers College professor at Cedar Fall, Iowa. "It will be just the time the wife comes in for those car keys she forgot! And what's more, it's a pretty dumb form of apple-polishing!"

The professor, who wishes to remain anonymous, defined polishing the apple as "working a teacher for a grade you really don't deserve," and added that students who do earn a good grade don't apple-polish. "It's mostly the border-line cases who do," he said.

Asked how professors distinguish between genuine interest and apple-polishing, he said, "Well, I think one reacts to it instinctively. It's something in the tone of voice, the facial expression, that helps to let us know whether it's sincere interest or just a game."

One of the worst types, he says, are "students who phone the instructor at his home in the evening to 'check on an assignment.' How do you imagine it sounds to the wife when she hears a sweet, delicate voice ask, 'Is Professor Smith there?' And his wife turns and says, 'O-o-h, Professor — there's a la-a-a-dy calling . . .'"

Another type comes up after class and says, "I was so interested in what you said about so-and so!"

And the girl who confesses, "I spend more time on this course

Rev. McDowell Is Chapel Speaker

"It is not the length of our prayers, the loudness, or the position in which we pray, but the sincerity of our hearts that counts with God," said Rev. E. W. McDowell, a recent speaker in chapel. Rev. McDowell, pastor of Nashville Waverly Place Church, is originally from Pennsylvania and is a T. N. C. graduate.

"Stewardship of Prayer" was the topic of his message. Mr. McDowell brought out four prayers of the Bible: Prayer of Peter, "Save Me"; Prayer of David, "Search Me"; Prayer of Moses, "Show Me"; and Prayer of Isaiah, "Consecrate Me."

Dorm Dee Cee's Are Chosen

The dormitory counselors, or Dee Cee's as they are often called, have been chosen for this school year. These counselors are selected with the students in mind. If you have a problem and want to confide in someone, then you should feel free to talk with these who are willing to help you in any way possible.

Representatives are chosen from each of the dormitories. Following is a list of the dormitories and the counselors in each.

Hardy Hall—Judy Magnusson, Mary Ann Swink, Betty Dent and Antia Hamilton.

McKay Hall—Bess Pearson and Sylvia Young.

Tidwell Hall — Kemp Higginbotham, Wendell Poole, Winston Hatcliff, Leroy Davis and Lynn Cassidy.

Gibbs Hall—Martha Gray.

Mackey Hall—Jeanette Willis.

Directed by Professor Chambers, the dormitory counselors are responsible for the Saturday evening programs. If your class or club would like to present a program, see Betty Dent, program chairman.

than any other! You just don't know how much I enjoy it!"

The intimidating type dashes up and says, "What are you going to give me this term?"

"Well, I don't know—what do you think you're going to get?"

"I gotta get a B."

"Well, then, I hope you earn it!"

"But you gotta give me a B!"

"I don't give grades—you earn them."

"It's too bad," said the instructor, "that the idea of apple polishing was developed, because I think students miss wonderful opportunities to get acquainted personally with the profs. Profs really can be of great help to students."

He added, "And apple-polishing really doesn't work like the students believe it does. It may appear that it's working, but all too often it really isn't." The instructor believes that polishing the apple isn't so prevalent now as it used to be. "Maybe they've given up!"

Then he sighed and said, "You know, I have never received an apple, polished or otherwise, in my entire teaching career!"

Be A Courteous Driver

Screech!! Is that car jet-propelled? The person driving it must think it has wings also! The ground personnel (pedestrians) want to live safely, too. Our demonstration school children are on campus during the day, and we have no fences. Who knows what lies around that corner? A jet pilot certainly does not have time to see. Please do **not** take chances. Why risk lives? You can afford to be late. Can you afford **not** to get where you are going? Please drive slowly and carefully while on campus, especially at intersections, and continue your good driving habits when you are off campus. A word to the pedestrians: Look before you leap!

School-School-School

Grade school, high school, college life—whichever it may be—each day becomes another one—to keep in memory. "Sitting" in the classroom may not be exactly pleasant—but you want education, and . . . you are glad that you are present . . . and so eventually you learn the things you want to know to help your mind and morals and your character to grow. School is truly wonderful—it broadens brain and vision—especially in guiding you to make the right decisions. Do go to school if you have time—no matter what your age—your knowledge will be greater with the turning of each page.

Procrastination — Association

Procrastination

Association—

That's my line.

No test,

I rest.

Then, it's fine.

Test due—

How I rue

No study time.

MISS PEACH

By Mell

Chatter Box

By Charles Kirby

The football season is proving to be one of the best in Trevecca's history. The competition has been very keen thus far and there appears to be no let up in sight. The Alphas and Deltas have been in the thick of the battle playing to a standstill twice on ties of 14-14 and 6-6. The Deltas were able to pull another out of the fire in the closing minutes of the game, winning 16-12.

The Betas have played in the spoiler's roll once by handling the top seeded Deltas their only defeat of the year—a close one, 8-6.

With the season approaching the end all eyes are looking for a hot finish between the Alphas and the Deltas and a possible playoff for the championship. Only time will tell for we still refuse to pick a winner. Anyone that misses these last few games of the season will be missing the best that he could desire to see in football.

Basketball is just ahead and everyone is looking forward for another good year. Several have been sharpening their shooting eyes in preparation for coming season. The Alphas hold the trophy from last year and will be trying to hold on to it with the solid team that they are expected to field. However, the Deltas and Betas are to be figured into the thick of the battle.

The Thanksgiving holidays are just around the corner and we would like to take this opportunity to wish everyone a happy holiday with plenty of good things to eat along with a much desired rest.

Alphas, Deltas Battle To 6-6 Stand Still

The Alphas and Deltas once again battled to a standstill marking it the second time of the year, this time by a 6-6 count.

The Deltas scored early on a two yard run to pay dirt by C. Kirby. The extra point attempt failed. The score held throughout the first half as both teams played a tight defensive game.

The defensive battle continued in the third quarter with neither team throwing any serious threats against the other.

In the third quarter the Alphas took the kickoff and marched the length of the field to pay dirt on a pass from Cook to Wood. The try for the extra point failed.

The fourth quarter was scoreless and the game ended in a standstill. The extra point played a vital part in the tie as both teams muffed their opportunity for a two-point victory.

Alphas Romp Betas 34-14

The Deltas became the first team to defeat the Alphas in two years, after the latter had won fourteen in a row. This victory pushed the Deltas on top in the standings by a game over the Alphas.

The Deltas began to march for the end zone and countered on a twelve yarder from Reynolds to Glenn Woods. Story took the PAT on a pass from Reynolds.

The Alphas were not to be out done and came back after the kick off and scored quickly on a pass play from Bob Cook to Laverne Deel. The extra point attempt failed.

The second quarter was scoreless and the half ended with the Deltas leading.

In the third quarter of action, Bob Cook plucked a Reynolds pass out of the air from his defensive half position and raced across the goal line ten yards away. Once again the extra try was no good. This put the Alphas in the lead for the first time, 12-8. However, this score didn't stand long. Kirby caught Cook in the end zone for a safety and two points that changed the score to 12-10.

The last quarter saw the Deltas dig in deep and march to victory on a ten yard pass play to Carl Story. The try for extra point failed as the gun sounded ending the thrilling battle and spelling defeat for the highly regarded Alpha six.

Deltas Crush Alphas 16-12

After a tight first half of play with the score reading 16-14 in favor of the Alphas, the Betas' defense fell apart in the last quarter of action and permitted the high-flying Alphas to march to an easy victory. It was the second victory of the year for the Alphas.

The Betas started rolling fast, scoring in the first five minutes of play on a pass from Pauley to Gerald Woods. Gene Cook got the extra point. The lead was short-lived as the Alphas quickly tallied on a 50-yard pass play from Bob Cook to Wendell Poole. Al Wood got the extra point.

The Betas scored again in the second quarter on a 25-yard pass play from Pauley to Neilson. The extra point failed. Again, the lead was short-lived as the Alphas scored quickly on an 80-yard pass from Cook to Wood. Wood also got the extra point. The half ended with the Alphas out in front 16-14.

The third quarter was very evenly played with each team blocking the goal line. However, the last quarter saw the game turn toward the Alphas as they scored twenty points to win a convincing victory. Cook threw to Ward for the first score of the last period. The second score went to Smith on a 15-yard pass from Cook. Bob Cook ran the last score, covering 10 yards. Final score: Alphas 34, Betas 14.

Alphas Trounce Betas 36-8

The Alphas made things look easy by trouncing the Betas on a rain soaked field by a solid score of 36-8.

The first quarter was enough for the Alphas to claim a victory. They were able to push across two touch downs on a Cook to Davis pass and a Cook to Al Wood pass. Cook got one of the PAT on a run thus giving them 14 points for the quarter.

The Betas were able to break through the Alphas's defense for a touchdown pass from Gerald Woods to Wayne Clancy. Gene Cook threw to Hudson for the PAT.

The second quarter saw only the Alphas breaking loose for a score. This came on a pass from B. Cook to Davis. Cook threw to Poole for the PAT. The half ended with the Alphas leading 22-8.

The second half the Alphas were able to score once in each quarter, the first coming on a pass from Cook to Davis. The extra point attempt failed. The second and final score of the game was a pass from Cook to Ward. Poole got the extra point, thus ending the game with an Alpha victory.

Betas Ease Past Deltas

The Betas became the first to defeat the first place Deltas in one of the best defensive battles seen thus far this season.

The Deltas took the opening kick-off of the game and three plays later marched across the goal line for the first score of the game on a Reynolds to Woods pass that covered fifty yards. The Betas took the kick off and began a march for pay dirt and didn't give up the ball until Cook hit Costa with a pass in the end zone to knot the score. Glenn Woods took the extra point and pushed the Betas out in front 8-6.

It looked as though the game would be a wild scoring affair but all the scoring was done in the first quarter. The remaining three quarters saw the ball change hands time after time with neither team throwing any serious threats to the opposition's goal line. Thus the game ended in an upset knocking the Deltas from the ranks of the unbeaten.
