Global Church of the Nazarene

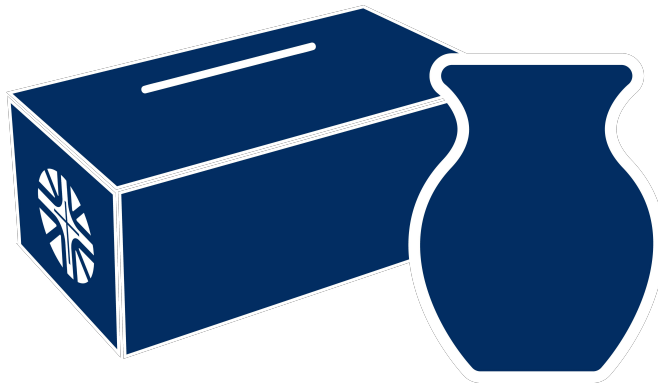

Alabaster 75th Anniversary Year

Alabaster connects with all ages in the local church. Some generations have used traditional Alabaster boxes, and others have used clay pots, glass jars, or tin cans. The container is simply a vessel that carries a sacrificial treasure, given for others. This month's Alabaster video shares the story, arising from the Eurasia region, of a young boy in Italy whose creativity in designing his own Alabaster box is inspiring.

Alabaster lays foundations that provide places where people worship, heal, and learn. And every time you participate in Alabaster giving, your contributions not only lay foundations, but you are engaged in enabling people to worship God, heal, and learn more of the goodness and grace of God. Thank you for giving.

PRAYER

- Pray for the six regions of the Church of the Nazarene, who must identify projects for Alabaster investments every year.
- Pray that every generation in the local church will feel compelled to give generously and sacrificially through Alabaster to continue to lay foundations that provide places where people worship, heal, and learn.

PRAISE

- Praise God for the continued effectiveness of Alabaster on every region where property needs are being met because you gave.
- Praise God for 75 years of Alabaster, and the incredible impact it has had around the world.
