Nazarene Missions International (Global NMI) “5 Areas of Impact”

NMI is the global missions **advocate** in every local church, **nurturing** a spirit of missions, and **mobilizing** into action, **impacting** people around the world.

Flowing out of Nazarene Missions International’s Identity Statement, which reflects who we are, are NMI’s 5 Areas of Impact, which reflect what we do: 1) Prayer; 2) Engaging Children and Youth; 3) Care and Connection; 4) World Evangelism Fund; and 5) Alabaster.

These 5 Areas of Impact represent the most common mobilization efforts found in all churches, regardless of size, language, or culture. Any Nazarene, anywhere, can and most likely does participate in these Areas of Impact on a regular basis. Each can be achieved creatively, and because they are common to all Nazarenes, sharing ideas about ‘best practices’ in how to do each or all of these, helps all of us become more effective.

Our effectiveness matters. As people in local churches are mobilized in missions, more people are reached with the Good News of the Gospel. Thank you for serving as a global missions advocate! Your work is making an eternal difference.

Graphic Icons have been created to represent each of the 5 Areas of Impact and are available for download.
